

Improving SC Libraries Through Targeted Federal Funding
Federal Fiscal Year 2003 (October 1, 2002 – September 30, 2003)
Two-Year Grant Program Period for Carrying Out Project Activities
October 1, 2002 – September 30, 2004

The South Carolina State Library received \$2,197,585 in Library Services and Technology Act (LSTA) Federal Fiscal Year (FFY) 2003 allotment funds to support public libraries and statewide library initiatives for the period October 1, 2002 through September 30, 2004.

Under (P.L. 108-81) LSTA of 2003 [H.R. 13] the six purposes for which State Library Agencies (SLAAs) can use State-based LSTA funds directly or through sub-grants or cooperative agreements are:

- (1) Expanding services for learning and access to information and educational resources in a variety of formats, in all types of libraries, for individuals of all ages;*
- (2) Developing library services that provide all users access to information through local, State, regional, national, and international electronic networks;*
- (3) Providing electronic and other linkages among and between all types of libraries;*
- (4) Developing public and private partnerships with other agencies and community-based organizations;*
- (5) Targeting library services to individuals of diverse geographic, cultural, and socioeconomic backgrounds, to individuals with disabilities, and to individuals with limited functional literacy or information skills; and*
- (6) Targeting library and information services to persons having difficulty using a library and to underserved urban and rural communities, including children (from birth through age 17) from families with incomes below the poverty line (as defined by the Office of Management and Budget).*
